

APPLICATION FOR GLOBAL HEALTH SCHOLARSHIP

Connecticut Academy of Family Physicians - Health Horizons International Foundation

The Connecticut Academy of Family Physicians awards a \$500.00 scholarship in global health in conjunction with the Health Horizons International Foundation (HHI). The scholarship is available to Family Medicine Residents in the state of CT. Applicants must have approval from their Residency Directors for time away from their Residency. Residents may apply for one of HHI's three yearly medical service trips lasting a week or for a three week experience combining a medical service trip and a patient care management experience. Proficiency in Spanish is desirable for the medical service trips and mandatory for the patient care management experience. Descriptions of the medical service trips and patient management experiences can be found on HHI's website. <http://hhidr.org/get-involved/volunteer-and-job-opportunities/> Applications should be submitted to the CAFP at mschuman@ssmgt.com.
